Terms and Conditions

- The Pet Resort at Southwood will perform a temperament screening on all dogs prior to induction to a playgroup. Suitability and appropriate play group placement will be determined after the review of this screening and the pet profile provided by the owner
- The Pet Resort at Southwood will make every effort to place dogs in appropriate groups based on temperament, energy levels, and age. If there are not suitable playmates for your dog in the resort during their stay, they will be offered individual playtime instead of group playtime
- The Pet Resort at Southwood reserves the right to refuse group playtime to your dog if any aggressive or unruly behavior is exhibited towards another dog or human. We understand dogs may have a bad day or may not get along with certain other dogs. If this is the case, we may remove your dog from the group for as "break" and offer individual playtime instead.
- All dogs over six months of age must be spayed or neutered to participate in playtime.
- The Pet Resort at Southwood will practice diligence to ensure safety, well being, and happiness of every dog in the playgroup. Playgroups will always be closely supervised, however, there will be certain risks associated with allowing the freedom of dogs interacting off their leash with other dogs. Even with constant supervision, nips, scratches, muscle soreness, and dog fights may occur. Each pet owner needs to understand the risk involved with such activity and that any medical treatment required will be charged accordingly.
- All pets must be current on all required vaccinations. For dogs, this includes distemper, adenovirus, parvovirus, kennel cough (bordetella), influenza, and rabies. For cats, this includes calicivirus, rhinotracheitis, panleukopenia, and rabies. If I cannot provide proof that my pet is current on all of these vaccinations, I authorize the doctor to administer the necessary vaccines at my expense.
- All pets must have a negative intestinal parasite check within the past 6 months. If my pet does not have a current parasite check, I authorize one to be performed on day of check-in. If my pet is found to have parasites, (s)he will be treated at my expense.
- If any external parasites are found on my pet at any point during their stay, I authorize the doctor to treat at my expense.
- If the doctor is unable to reach me at the given numbers I authorize any treatment for my pet that the doctor considers necessary for his/her health and safety. I understand that I will be charged for all treatments performed.
- If I am unable to pick up my pet on the expected check-out date I will inform the Resort of the check-out date as soon as possible.
- I will not hold the Resort responsible for inadvertent loss or damage of personal items left with my pet.
- By choosing to have your pets photographed for their record or image sent via email or text message, you agree to waive ownership of any photographic records taken by any staff member of The Animal Hospital and Pet Resort at Southwood and agree to allow the business the use of these images for and in business applications, social media, posters, websites, or other media, without limitation

and agree not to make any claim of misappropriation of personality, breach of privacy, or other loss or damages against The Animal Hospital and Pet Resort at Southwood in respect thereof.
